

Remote Area List 2022

Effective Date: 9 Jan 2022

A Remote Area is defined as a post code or in the absence of post code, a suburb /town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge, and the delivery time could be extended by days even months, also there is a higher parcel lost rate. BSDropshipping.com recommed you block such areas.
